ABOUT

MIDAS ENERGIA

An ISO certified company, Midas Energia handles supply and services of the energy sector. We have an extensive network of partners and suppliers including both OEM certified and highly experienced non - OEM manufacturers across the world, enabling us to offer end-to-end solutions towards sourcing & supply of Balance of Plant, Rotating Equipment Spares, Electrical Products, Control & Instrumentation Equipment and Chemicals to our reputed Customers.

Our products are at the forefront of industry excellence. Providing the most innovative, durable, and cost-effective customer solutions, they are supported by an exemplary international vendor network.

MISSION

Our mission is to be reputed providers of qualified products in the Energy - Oil and Gas Industry.

VISION

Midas Energia aims to provide a variety of products and services that ensure long-term commitment from our customer's is guaranteed via high industry standards and specifications. Furthermore, we aim to provide the most competitive terms.

WHY CHOOSE

MIDAS ENERGIA

We provide our clients with sustainable solutions for all their spare part and service requirements. Our reliable network of global supply-chain ensures products of the highest quality with preferential lead times are fully aligned with our customer requirements.

| CERTIFIED STANDARDS

We are ISO 9001:2015, ISO 4001:2015 and OHSAS 18001:2007 certified company and rigorously compliant to meet the best industrial standards.

| PRE-QUALIFICATION

All our products are prequalified and approved by reputed customers. Additionally, Midas Energia offers to qualify reputed manufacturers we bring to our own supply-chain.

MIDAS ENERGIA REPRESENTS
MAJOR PRINCIPLES ACROSS THE
GLOBE AND PROUDLY PROVIDES
THE FOLLOWING PRODUCTS
AND SERVICES:

- Oil & Gas
- Power Generation
- Process Industry
- Marine Industry

OUR DIVISIONS

- Mechanical Division
- Electrical Division
- Instrumentation Division
- Filtration Division
- Rotating Division
- Contractual & Field Work Services

OUR PRODUCTS

I & C

- Transmitter
- Fitting
- Control Valve
- Boiler Tube Leak Detector
- Valve Leak Monitoring System
- Gas Metering System
- Gauge
- Sensors

ELECTRIC

- Motor
- Switchgear
- MCC
- Load Center
- Transformer
- UPS & Battery Charger
- Exciter
- Digital Fault Recorder
- Ignitor System
- PD System etc.

MECHANICAL

- Pumps
- Valves
- Pipes
- Actuators
- Intake Facility
- Bearings
- GT Inlet Filter
- Expansion Joint
- Diverter Damper Spares
- Heat Exchanger & Pressure Vessel
- Industrial Gearboxes
- Coupling Shaft
- Boiler Auxiliary

GAS TURBINE SPARES

- Compressor Section Spares
- Combustion System and Hardware
- Fuel Systems Spares
- Hot Gas Path Spares
- Bearing Assembly
- Turbine Casing and Exhaust section casings
- Inlet and Compressor Casings

DIESEL ENGINE SPARES

- Plain Bearing
- Valve Rotor & Fuel Injection systems
- Cylinder liner and Filters
- Piston & Piston Rings
- Seal, O Rings, Gaskets Etc.

CHEMICALS

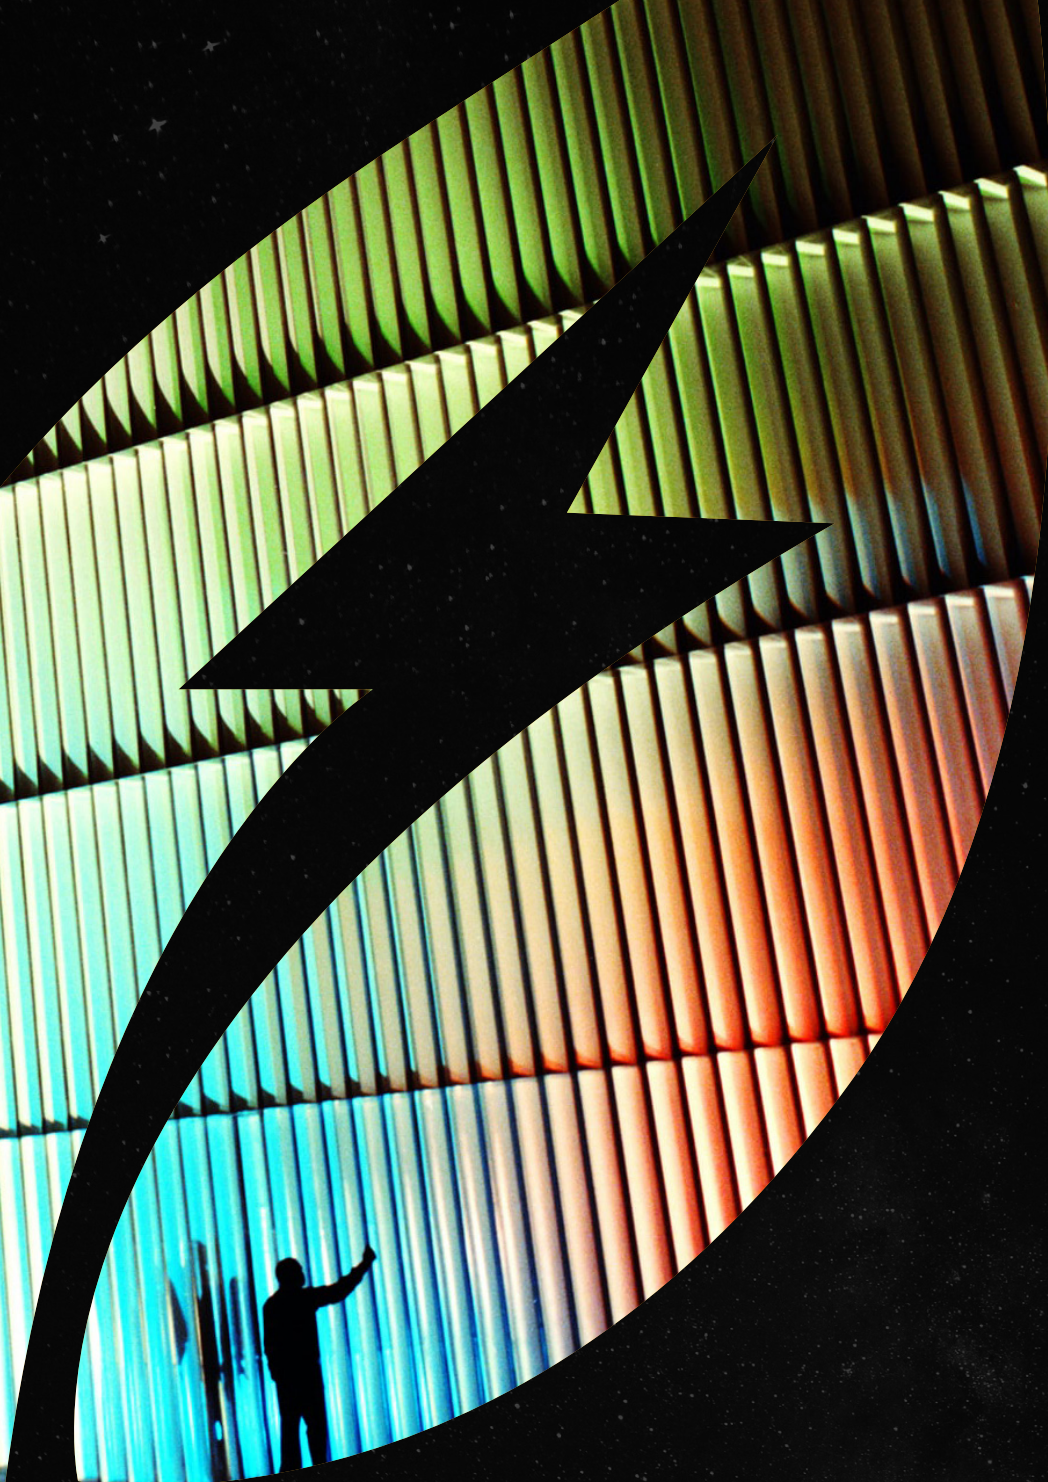

- Drilling Fluids
- Mud Chemicals
- Water Treatment Chemicals

OUR SERVICES

OUR SERVICES PORTFOLIO

- Engineering, Development, Production and Testing of Auxiliary Systems for rotating machines such as: compressors, pumps and generators.
 - Lube Oil Systems
 - Integrated Systems
 - Full Packaging
 - Turnkey Solution
 - Air Intake Systems
 - Acoustic Systems and services
 - Exhaust System and Services
 - Retrofit Services.
 - PLC relocation
 - Pipeline Construction
 - Cathodic Protection
 - Pigging and Inline Services
 - In-Situ Services
 - Metal Stitching
 - Laser measurement and alignment
